ROOM TO GROW

Safe in your hand a seed cannot grow.
Yet fighting the land, new life will flow.

We grow through mistakes, through trying
again.

When we learn why we lose, we learn how
to win.

So smooth not the path that children must
crawl,

For in order to walk, we first need to fall.

Give to each child your love and your care,
With plenty of room to wonder and dare!

Take Me Out to the Carnival

Words written by CCVillage Staff Writers
sung to the tune of "Take Me Out to the Ball Game"

Take me out
To the carnival.
Take me out
For some fun.
Buy me some ice cream
And soda pop.
I hope the fun
Never has to stop.

Let's ride, ride, ride
On the carousel.
Then let's go play
Some games.

The carnival
Is only in town
For a few more days!

Did You Ever See a Fishy?
Sung to the tune of "Did You Ever See a Lassie?"

Did you ever see a fishy
A fishy, a fishy
Did you ever see a fishy
Swim this way and that?

Swim this way and that way
Swim this way and that way
Did you ever see a fishy
Swim this way and that?

(Hands together, make swishing motions while singing this song.)

Email Communication

If you would like, you can receive your copy of the monthly newsletter along with other news via email.

You can also get your receipts by email.

Also, I am always taking pictures of the kids. I'd love to share pics of your child with you. Sometimes the activities that are the greatest are not the ones they bring home.

Let me know if you want to get communication this way. All I will need is your email address. If you choose not to go the email route, it's no problem. Pictures are on the slideshows on the website and are updated as often as possible.

Thank You!

Thank you to all who have brought in paper towel and toilet paper rolls, plastic bottles, and more! We can always use those types of recyclables! Keep them coming!
