

Our little detectives will soon be VERY interested  
in playing in the dirt.

## *Why?*

We will have a dump truck of dirt dropped on the driveway out  
front Friday. There's no mountain climbing @ Auntie's. Please, as  
you leave with your child, do not let them climb on the pile and  
watch your step.

We don't want anyone to get hurt.

This dirt will be mostly for our back yard playground area. We  
will be putting out seed, fertilizer and ant killer as well.

We have purchased "outside shoes" for each child (croc-type  
shoes), so that their own shoes stay clean and those can be  
washed off each day. Please keep in mind that we will be getting  
dirty, maybe even muddy, for a while until the grass comes in.  
Please send your child in clothing that can get dirty (more than  
usual). White and light colors + that much dirt = STAINS for you  
to try to get out.

Thanks for your cooperation and understanding.
